

Manuale di Istruzioni Box doccia OXO2

Note e Manutenzione

1. Pulire la barra di scorrimento e regolare i cuscinetti regolarmente;
2. **PULIZIA:** non utilizzare detergenti aggressivi o abrasivi, che possono rovinare la superficie cromo dei profili e degli altri componenti. Utilizzare un panno o tessuto morbido e non abrasivo.
3. Fare attenzione a non inserire la mano al momento della chiusura dell'anta scorrevole;
4. Non arrampicarsi sul box doccia;
5. Non appendere oggetti o complementi pesanti sulla struttura del box doccia.

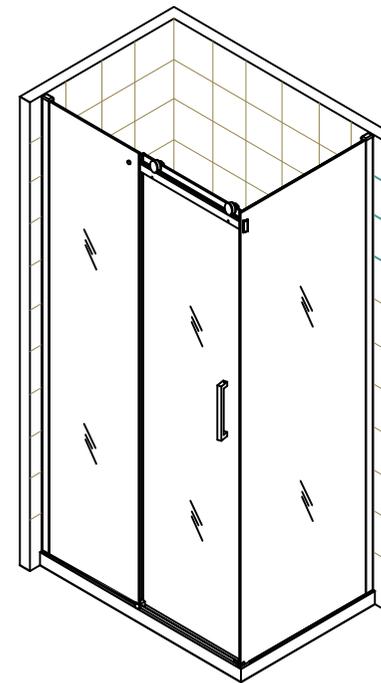

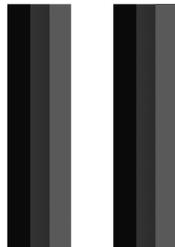

Vi ringraziamo per aver scelto il nostro prodotto e vi auguriamo una piacevole esperienza nell'utilizzo del Box doccia OXO2. Per favore, leggete attentamente le istruzioni prima di iniziare l'installazione.
